The maximum number of times you can reschedule a single test appointment is 6.

If your test is in 14 days or less, you cannot reschedule your test and the 'Reschedule' button will not be displayed on your myPTE dashboard. You must cancel your test and book a new appointment. See Cancellation policy below for applicable fees.

Pearson may, at its sole discretion, offer you a refund for any testing fees where you have registered and paid any testing fees directly to Pearson. This may apply in cases where Pearson has canceled your test due to scheduling or test center issues. Any other direct costs and expenses incurred beyond the cost of the test will be considered on a case-by-case basis.

We cannot provide any direct refunds for voucher registrations, so if you have registered using a voucher, please contact the outlet you obtained or purchased it from.

If you paid by credit/debit card, any refund will be credited back to the original credit/debit card or bank account.

For a full breakdown of fees, please contact the customer service team in your region via pearsonpte.com/help-center

Exceptions for medical or family emergency

If you are unable to attend the test center on the day of your test because of illness or family emergency, Pearson may, at its discretion, allow you to reschedule the test free of charge.

You should fill in the **'Request Emergency Reschedule'** form as soon as you become aware of the emergency, attaching your evidence. This can be done up to 14 full calendar before your scheduled test date.

Acceptance of evidence is at our discretion. There is no automatic right to rebook or obtain a refund if you cannot sit a test for medical or family reasons. You will be contacted if any additional information is required.

Changes to the test

Pearson reserves the right, at its sole discretion, to cancel or reschedule tests, change test content or change the number of test takers in the test room during a PTE Core test.

In the event Pearson cancels or reschedules a test, we will either arrange a refund or reschedule to an alternative date or test center.

Special requirements

PTE Core is a computer-delivered and computer-scored test. This means there are technical limitations to the ways in which we can accommodate the needs of test takers.

We are constantly reviewing and expanding the accommodations offered as part of our commitment to inclusion and equal access for all test takers.

- ▶ Accommodations are available for test takers who meet certain eligibility criteria and properly request and receive confirmation from Pearson prior to sitting the test.
- ▶ Please let us know if you have any special requirements when creating your account. Once you have completed your profile, you will be asked to fill out a form with details of your request.
- ▶ Your submitted form will be reviewed and the Customer Support team will contact you to book your test.
- ▶ Please submit the form at least six weeks before your chosen test so that there is time to process your request.
- ▶ If you have a hand injury that prevents the palm vein scan, please contact us before booking the test, otherwise you will be turned away from the test center and lose your test fee.
- ▶ No adjustment can be made to a test score in response to unexpected illness or other events at the time of a test.

You may bring comfort aids into the test room provided they are checked by the Test Administrator. Comfort aids include:

- ▶ Tissues

1/4 inch (1/2 cm)

Wallets / Purses

Before the test

- ▶ You **must** store all personal items in a locker. Phones and electronic devices must be turned off before storing them. The test center is not responsible for lost, stolen or misplaced items.
- ▶ You will be asked to empty your pockets and show that you have removed personal items.
- ▶ You will be given an erasable whiteboard and two pens.
 - **Do not** write **anything** on the erasable whiteboard until the test begins.
 - Keep them inside the test room and return them after the test.
 - If you finish your erasable whiteboard, raise your hand and you will be given a new one.
- ▶ Your identity will be checked before you begin the test. You must stay in your seat. For security reasons, you will be monitored at all times. Video and audio will be recorded.

Warning: Test takers who break the rules may have their PTE Core scores revoked.

Test takers engaging in malpractice or abusive behaviour will be banned from taking the test in the future and may be liable to legal action.

During your test

Starting your test

- ▶ When it is time to start your test, the Test Administrator will take you into the test room and assign you a computer with headphones and built-in microphone. You will also be provided with an erasable whiteboard and two pens. You must not take any notes until your test has started.
- ▶ You may not write on the erasable whiteboard until after the test has started.
- ▶ You must start the test when advised to do so by the Test Administrator. The Test Administrator will sign you into the computer and you will be presented with an on-screen non-disclosure reminder.
- ▶ The test will guide you through an equipment check to make sure your headphones and microphone are working correctly. Your test will then begin. If there are any issues, you must immediately raise your hand and advise the Test Administrator.
- ▶ There will be other test takers in the same room, and they will be speaking at the same time as you, so we recommend that you keep your headset on during the entire test.
- ▶ You are advised to speak at a conversational level when completing the speaking section. You do not need to raise your voice.

The test

- ▶ Some items test your ability to listen to spoken English. You will hear international English speakers with a variety of accents. You will not be able to replay the video/audio clips during the test.
- ▶ Some questions test your ability to speak English.
 - You will be asked to speak into a microphone and will be recorded.
 - You will not have an opportunity to re-record your responses.
 - Our test and systems are designed to test normal conversational flow and volume.
 - If your spoken responses contain features such as unnatural pausing/hesitation or poor enunciation of words/sentences, or if you do not follow the directions, this may be reflected in your scores.
- ▶ Some questions test your ability to write in English.
 - You may write your response in any valid form of English (British or American), but it must be consistent throughout the test.
 - For these questions you have an allotted amount of time to respond.
 - If you do not answer the question within this time, you will be required to move to the next question.
- ▶ If you have questions or concerns, raise your hand and the Test Administrator will assist you as long as other test takers are not disturbed. For example, if you:
 - Experience hardware or software problems or distractions that affect your ability to take the test.
 - Run out of erasable whiteboard space or have issues with your pen during the test. The Test Administrator will bring you a new one. Note: you may not remove the erasable whiteboard or pens from the testing room at any time during the test.
- ▶ The Test Administrator cannot answer questions related to test content, and you must not ask questions related to the content of the test.
- ▶ You cannot go back to previous questions to amend your answers.
- ▶ You are not allowed to leave the test before it finishes. Doing so will mean you lose your test fee and your scores will not be provided.

Breaks

There are no scheduled breaks available. You can request an unscheduled break from the Test Administrator but we strongly advise against this as the test clock will not stop during your break.

During your unscheduled break you cannot access your locker or personal items, speak to any other test taker, or leave the building.

If you need to take a break for medical reasons, you must request this before booking your test. **See page 9 'Special Requirements'**. If you need to access medication from your locker, you must inform the Test Administrator before the test starts as you will need to be supervised.

Finishing your test

- ▶ After you finish the test, you must raise your hand to get the attention of the Test Administrator. The Test Administrator will come to your workstation and ensure your test has ended properly.
- ▶ You will be escorted out of the test room, and your identification will be checked electronically when you leave the test room.
- ▶ You will be provided with email confirmation that you completed the test.
- ▶ Once this is complete, you can take your personal belongings from the storage facilities and leave the test center.

After your test

Receiving your Score Report

You will receive an email when your Score Report is ready.

- ▶ We aim for this to be within 5 business days of your test date.
- ▶ You can download your Score Report in PDF format.
- ▶ Institutions will only accept Score Reports that are verified through our electronic platform. You may give the institution the Score Report Code (contained on your Score Report) and they will verify it on the platform. (See page 15, 'Sending your Score Report to an institution'.)

Institutions can receive your score and verify it using the individual Score Report Code (SRC) contained in your Score Report. They will use the SRC to retrieve your results via an electronic score verification system.

You can share your SRC with any institution via a secure method of your choosing. You can also send your Score Report via your PTE account (please note, if you use this method, it may take up to 48 hours before the institution can verify the scores).

You can send your Score Report to an unlimited number of institutions, but you can only select up to 7 recipients at any one time.

1. Sign in to your account at mypte.pearsonpte.com
2. Go to the **'My Activity'** page.
3. Select **'Send Scores'** next to the test you want to assign.
4. Search for the institution you want to send your score to. You can send up to 7 at one time, and sending your score is free of charge.
5. When the institution appears in the **'Recipient'** field, put a tick in the box.

Sending your Score Report to the Immigration, Refugees and Citizenship Canada office (IRCC)

When applying for a Canadian visa, you can simply enter your unique Score Report Code (SRC) onto your application form.

Understanding your Score Report

PTE Core is scored on a granular scale from 10 to 90. The **PTE Core Score Report** includes your overall score and communicative skills.

See page 17 for a description of each element of the report.

For a detailed understanding of how your test is scored, view the PTE Core Score Guide here: pearsonpte.com/ScoreGuide

Retaking and rescoring

Retake policy

- ▶ You can book your next test as soon as you receive the Score Report from your last test. Please do not create a new account in order to bypass the wait as this can cause further delays.
- ▶ You can only book one test at a time.

Requesting a rescore

If you wish to challenge your score, you may request a machine rescore. Please note:

- ▶ All PTE tests are computer-scored so it is therefore unlikely that your overall score will change.
- ▶ Only spoken responses and open-ended written responses will be rescored.
- ▶ In the unlikely event that your score changes, it may go up or down.

Requesting a technical review

If you believe that your speaking score was affected by a technical issue, you may request a technical review. This service will check for any technical issues in your audio recordings that may have caused an inaccurate score. Please note that a technical review will not change your score. Only a machine rescore, which is a different service, could do so.

Malpractice

If we identify evidence of malpractice during a machine rescore or technical review, the suspected malpractice will be processed according to the PTE Malpractice Policy. Any suspected malpractice could result in the suspension or revocation of your test score and a ban on future testing.

Appeals

You can make an appeal if:

- ▶ We have shared the outcome of a technical review, and you believe that we have not complied with our own internal procedures
- ▶ We have made a decision related to malpractice – including a decision to revoke your score – and you believe that we have not complied with our own internal procedures

The appeals procedure will review whether:

- ▶ We have adhered to the internal procedures
- ▶ Our internal procedures were applied properly and fairly in arriving at judgements
- ▶ Our activities were consistent with regulatory requirements

Please visit pearsonpte.com/help-center/scoring for more information on requesting a rescore, technical review or appeal, and to ensure you are aware of any changes to the above since this Handbook was last updated.
